SUMMER-INCLUSIVE-CARDS.

From just 1 overnight stay, **guests in Warth** receive the free Warth-Card to use the Steffisalp-Express cable car and hiking buses. In addition, guests from Warth have the opportunity to purchase the Lech Card for different periods. This also includes the cable cars in Lech, entrance to the swimming pool in Lech, buses including tolls to the Zugertal as well as other entrances, discounts etc.

From 3 nights, **guests in Schröcken** receive the free Guest-Card Bregenzerwald & Großes Walsertal. It includes the use of all cable cars, buses and swimming pools in the Bregenzerwald, Großes Walsertal and Warth.

CHARGING STATIONS FOR E-CARS.

These are marked with a symbol in the following list of accommodations. The public charging stations are marked on the map after the list of accommodations.

VILLAGE SKI BUS EVERY 15 MINUTES.

The Warth-Schröcken village ski bus is the perfect addition to the ski-in/ski-out that all winter sports enthusiasts and pedestrians can use free of charge. The village ski bus runs every 15 minutes for you to get your breathtaking winter fun even faster.

WARTH

IS SITUATED AT 1,500 METRES DIRECTLY IN THE SKI AREA OF WARTH-SCHRÖCKEN AND IS THE IDEAL STARTING POINT FOR HIKES AND MOUNTAIN TOURS.

ONE APPRECIATES THE VILLAGE CHARACTER and the hospitality of the businesses. Here love and passion for winter sport are the focal point. Enjoy wonderful days of skiing on and off the piste and let the day fade away in comfort with a glass of wine.

TOPCLASS HOTELS, the charming atmosphere of private rentals and the cosy bars characterise the town and make it a popular holiday destination for all age groups. The gastronomic variety spoils your taste buds to the highest degree and gives an insight into the Walser culinary art.

A SUMMER VACATION IN WARTH means relaxation down the line. Because of the 1,500 m altitude, you're in an almost pollen-free zone. In addition, there's the health effect of doing physical activities at this altitude.

UNIQUE ACTIVITIES make every vacation day completely different: from high-adrenaline canyoning and river rafting tours right down to wild water swimming in the Lech, from the challenging alpine mountain tours right down to our highlight, the Karhorn via ferrata route, there's something for everybody.

Location and arrival.

The villages of Warth and Schröcken are situated in the Austrian Federal State Vorarlberg close to the Tyrolean border.
