MOUNTAIN PANORAMA WARTH-SCHRÖCKEN

## Your home in the mountains.

We are pleased that you are interested in taking a holiday with us in Warth-Schröcken and we would like to introduce our variety of hosts in this brochure.

Have a quiet look through this catalogue and get inspiration from the different categories. If you have any questions or if we can help you with your accommodation search in any way, we can be reached by phone or on location at the tourist office. We are looking forward to your enquiry!

## Good to know.

### PRICES.

All prices indicated in this list are either “from” prices (the lowest price in the off-peak season) or “from/to” prices (lowest to highest price in a season).

### SEASONS.

Our hosts reserve the right to determine peak seasons and off-peak seasons themselves. Peak seasons are usually orientated towards holiday periods.

### LOCAL TAX/VISITOR'S TAX.

The indicated prices are exclusive of visitor's tax. The visitor tax amount in our region from the 2019/20 winter season is as follows:

**Warth:** Adults (from 14 years) EUR 2.80 per person per night.

**Schröcken:** Adults (from 14 years) EUR 3.10 per person per night.

**Gehren/Lechleiten:** Adults (from 16 years) EUR 1.40 per person per night.

### SUMMER-INCLUSIVE-CARDS.

From just 1 overnight stay, **guests in Warth** receive the free Warth-Card to use the Steffisalpe Express cable car and hiking buses. From the first night there is the option to buy the Lech Card to use the cable cars and swimming pool in Lech and the buses to the lakes in Zugertal, including the toll charge.

From 3 nights, **guests in Schröcken** receive the free Bregenzerwald-Card. It includes the use of all cable cars, buses and swimming pools in both Bregenzerwald and Warth.

### VILLAGE SKI BUS EVERY 15 MINUTES.

The village ski bus from Warth-Schröcken is for all winter sports enthusiasts and also pedestrians for free. For even faster winter fun, the village bus now runs every 15 minutes between the villages Schröcken and Warth.

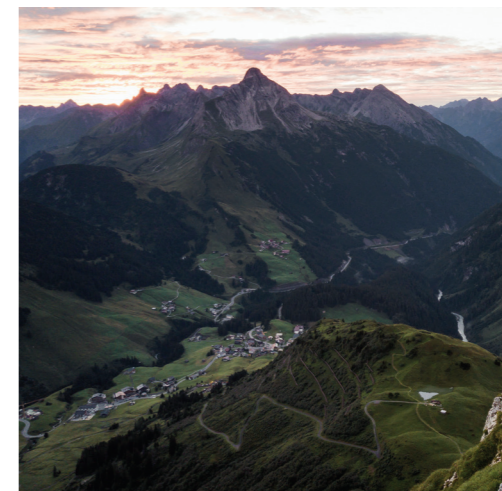

### CHARGING STATIONS FOR E-CARS

In Warth-Schröcken you will find several public charging stations for your electric car. Many of our hosts have also installed private charging stations for their guests. These are marked with a symbol in the following list of apartments. The public charging stations are marked on the map based on the list of apartments.

WARTH IN THE WINTER WITH DIRECT  
ACCESS TO THE SKI FUN

## WARTH

IS SITUATED AT 1,500 METRES DIRECTLY IN  
THE SKI REGION OF WARTH-SCHRÖCKEN AND  
IS THE IDEAL STARTING POINT FOR HIKES  
AND MOUNTAIN TOURS.

**ONE APPRECIATES THE VILLAGE CHARACTER** and the hospitality of the businesses. Here love and passion for winter sport are the focal point. Enjoy wonderful days of skiing on and off the piste and let the day fade away in comfort with a glass of wine.

**TOPCLASS HOTELS**, the charming atmosphere of private rentals and the rustic and cosy bars characterise the town and make it a popular holiday destination for all age groups. The gastronomic variety spoils your taste buds to the highest degree and gives an insight into the Walser culinary art.

**A SUMMER VACATION IN WARTH** means relaxation down the line. Because of the 1,500m altitude, you're in an almost pollen-free zone. In addition, there's the health effect of doing physical activities at this altitude.

**UNIQUE ACTIVITIES** make every vacation day completely different: from high-adrenaline canyoning and river rafting tours right down to wild water swimming in the Lech, from the challenging Alpine mountain tours right down to our highlight, the Karhorn via ferrata route, there's something for every taste.

Please note that due to the altitude (1,269m or 1,500m) there's a large amount of snow in the villages and strong snowfalls can occur during your stay. The access roads, however, are only very occasionally closed for snow-clearing work. But please always remember to carry the appropriate equipment in your car (e.g. snow chains!)
