Time for special moments

Discover fossils at Triassic Park, experience wild adventures in Timok's Wild World, share laughter at Familienland or enjoy the views from the Jakobskreuz – the Pillerseetal offers moments you won't forget.

14 Timok's Wild World

Where little adventures meet big discoveries: nature trails, exciting water features, surprising details and hidden corners invite you to enjoy unforgettable moments together.

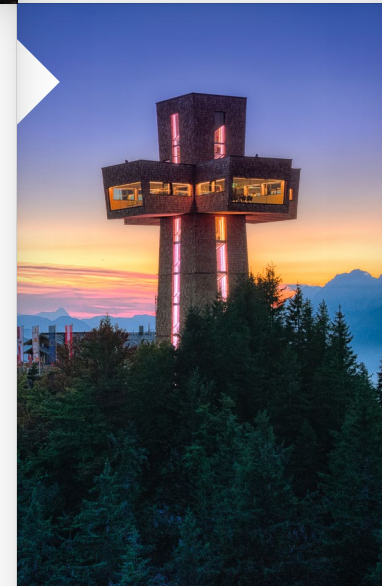

Always with you: PIA

Your personal digital holiday companion in the Pillerseetal.

PIA shows you what makes the Pillerseetal so special. As your digital holiday companion, she guides you to unforgettable experiences – and gives you an overview of the most memorable moments the region has to offer.

13 Jakobskreuz

Towering high above the valley, the Jakobskreuz is the world's largest accessible summit cross. From its platforms, breathtaking views unfold, offering new perspectives and truly special moments.

12 Triassic Park

Fossils, prehistoric exhibits and fascinating insights into a world millions of years ago – at Triassic Park, moments are made that turn into lasting memories.

Events

Whether concerts, markets or sporting events – the Pillerseetal regularly offers new experiences to enjoy.

One valley. Endless possibilities. Your moments.

Pillerseetal Guest Card

09 Familienland

Action-packed fun in the amusement park! A thrilling family roller coaster, a fun water carousel, a leisurely park train and many more attractions bring young and old together – creating truly unforgettable moments.

Family & Children's Programme

Whether playful, creative or out in nature – the programme for children and families offers plenty of opportunities to spend time together and create meaningful moments.
