

Instructions for Wine Tasting

Wine tasting with coins in the RheinWeinWelt

- Bring along some time and a bit of thirst.
- It is a cellar, so it's pleasantly cool in summer but chilly during winter. Please bring along jackets for those winter months.
- Choose your coins: packs of 10 (€10) or 20 (€19) for each coin you get a taste of 20 ml of your chosen wine.
- You will receive a wine glass for tasting, a list of all wines plus a pen to make notes, some home-made bread chips, a bag for wine shopping (yours to keep if you purchase 6 bottles of wine or more).
- Free personal introduction as to how the wine dispensers work.
- Simply stroll through the 7 historic brandy tanks and the large room in the back and choose your wine from the over 80 wine makers from the wine growing regions Rhine Palatinate, Middle Rhine and Rheingau along the 180 Rhine kilometres!
- Hold the glass well under the tap, put the coin in the slot, press the button and enjoy your fresh, cool wine!
- If you like, you can buy the wine straight away and put it in your shopping bag.
- Coins can be „topped up“ at any time (you can buy more at any stage).

By the way...
a bag of coins are
a great present!
